Comments:

Despite the change in the weather we had a very good turnout of riders for this event. The roads were damp from the overnight rain and the drizzle falling during the event. Fortunately there were no incidents.

Congratulations to everyone who rode as the numbers made it well worthwhile our club promoting this event.

I hope that those new to this side of cycle racing "enjoyed" it

Participating for the first time, the Southport CC, provided many of the extra riders this year and we thank Bill Lloyd of the Southport for stepping in and being "holder-upper"!!

I would also like to thank my clubmates Paul Olson and Kit Carson for being "true" bikies by riding out to the event and officiating as timekeepers. Club Members Sandra and George Corfe stood in the Prince William car Park collecting our race numbers just in case someone rode off home with it still pinned to their jersey!!

My wife Lil kindly braved the damp and wet conditions to act as Signing-On steward, collecting the CTT race levies.

Finally the Club would like to thank the Proprietors of the Prince William for allowing us to use their Car Park.

John Clarke.
